

# Shamil Kazimov

---

## Objective

Professional development in the sphere of engineering

## Personal Information

**Nationality:** Azeri  
**Date of birth:** 28/09/1980  
**Place of birth:** Azerbaijan, Baku  
**Marital status:** Single  
**Address:** A. Veliyev st. 7, apt.53  
**Contact phones:** **home** (+99412) 421-43-37  
**Mobil** (+99050) 512-82-06  
**E-mail address:** [kazimov.sh@gmail.com](mailto:kazimov.sh@gmail.com)

## Education

December 2004-to day NASA Institute of Physics  
• PhD student

### Department of PhD

Degree work: "Math modeling and apply of fault current limiter"

Sept 2001-Mav 2003 Azerbaijan State Oil Academy  
Baku

### Department of Power Engineering

- Master degree

Degree work: "Correlation of calculation algorithms for physical processes and their conversion into machine language"

Sept 1997-Mav2001 Azerbaijan State Oil Academy  
Baku

### Department of Power Engineering

- Bachelor degree

Degree work: "Mechanical modeling and prevention of open-phase operating conditions of overhead transmission line"

### Main disciplines attested:

Power grid and networks  
Overvoltage and its protection  
Commutation principles  
Electric machines and apparatus

## Professional Experience

26 of November 2004 - till present KCA Deutad

*Pipe Operator, General Assistant*

## Professional Experience

January 2001 – November 2004 Institute of Physics of Academy of Sciences, Baku

*Junior scientific employee, Engineer Programmer, Engineer*

## Technical Summary

**Operating systems:** Windows 95/98/2000/Me/XP  
**Program languages and libraries:** Basic, HTML, FORTRAN  
**Databases:** Access,  
**Internet technologies:** Computer networks, Web Server: Apache, IIS,  
**Other:** Internet, MS Office 97/2000/XP, Adobe Photoshop 8.0, Adobe Premiere Pro, Macromedia (Flash MX, Dreamweaver MX, Fireworks MX), CorelDraw, MATLAB, MathCad, Origin

## Languages

**Russian:** Native  
**English:** Moderate  
**Azeri:** Moderate

## Personal Qualities

Responsible, persistent, sociable, hard-working, energetic
